ABOUT FOREFRONT CHURCH

[forefrontnyc.com](http://forefrontnyc.com)

## *Our Mission*

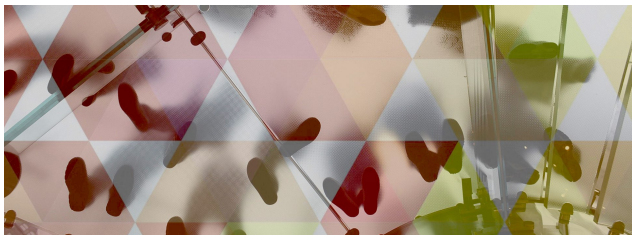

**Forefront is an interdenominational faith community, dedicated to cultivating a just and generous expression of the Christian faith.**

That may sound idealistic, but we believe that it is possible for followers of Jesus from all backgrounds to work together, living out his core message of loving God, our neighbors, and ourselves. (Matthew 22:36-40)

We prefer to call ourselves a “values driven” church, rather than a “doctrine driven” church. We draw our values from the teachings of scripture and the life that Jesus embodied.

We are committed to unity rather than uniformity. There is room in God’s house for us all, and by bringing our own perspectives and backgrounds to the table, our community grows in wisdom and faith, functioning more like a family than an institution.

# *our ethos*

**We affirm the following things about God, people, and our world.**

**1. God is alive in our humanity:**

from young to old, married to single, conservative to liberal, wealthy to poor, doubting to believing, male to female, gay to straight, race to race, ethnicity to ethnicity,

God is alive in our humanity.

The Spirit is moving in our midst.

Christ is within us and in the spaces between us.

**2. God is at work in our city:**

from blue collar to white collar, transplant to native, government to private sector, hospital to hospice, school to cathedral, student to teacher,

God is at work in our city.

The Spirit is moving among its people.

Christ is within us and in the spaces between us.

**3. God is renewing our world:**

from land to sky, city to village, state to country, mountain to river, forest to field, farm to factory, high-rise to home,

God is renewing our world.

The Spirit is moving in our land.

Christ is within us and in the spaces between us.

**4. God is at home in us:**

in our speech and in our actions, in our work and in our play, in our thoughts and in our desires, in our minds and in our hearts,

God is at home in us.

The Spirit is moving in our church.

Christ is within us and in the spaces between us.
